We are pleased to offer gluten free options on our food menu. We are not a gluten free restaurant and cannot ensure that cross contamination will never occur. We have processes in place to minimize that happening but there is a great deal of gluten in the air and our work surfaces. If you are a Celiac and/or highly sensitive, please advise your server and know that we will do our best but cannot guarantee that your order will not touch gluten somewhere in the process. Items listed as gluten free that are served with bread can be served without the bread. A gluten free roll can be substituted for an additional charge. Gluten free dressings are also available.

Our vegetarian options are made without meat, poultry, and sea food. They may, however, contain products such as eggs and dairy products. Please address any concerns with your server.

*Consuming raw or undercooked meats, seafood, poultry or eggs may increase the risk of food borne illness, especially if you have certain medical conditions.
